HIPPOCRATIC OATH

Beverly Crusher was detained by Ansata separatists on Rutia IV. She was compelled to ease the suffering caused by their repeated use of dimensional shifting.

To get past, most CUNNING MEDICAL present must help aliens (relocated with dilemma to nearest planet at another location). MEDICAL is stopped until countdown expires.

THE CLOUD

In 2269, the *Starship Enterprise* was penetrated by a storm-like phenomena which attacked both the ship's technology and the nervous systems of the crew.

Unless 2 MEDICAL, 2 ENGINEER, and 2 Astrophysics present, ship is damaged and stopped until end of your next turn. Discard dilemma.

PROTECT THE TIMELINE

Seeds on a time location. (Unique.) Once each turn, one of your unique personnel reporting here may do so for free. You may not report personnel for free unless native to this timeline or reporting to a ship or facility here. Any ship may time travel between here and corresponding spaceline location (once per turn per ship), then is stopped unless ship or three personnel aboard are native to this timeline.
