*"I call upon Cardassians everywhere.
Resist! Resist today. Resist tomorrow!
Resist till the last Dominion soldier has
been driven from our soil."*

It's the final days of the Dominion War, and we approach the ultimate confrontation in **Dogs of War!** Featuring fifty-four (54) new *First Edition* cards, **Dogs of War** focuses on the final arc of Deep Space Nine, as new alliances rise and old ones crumble. Whether you want to strike at the very heart of the Federation, fight a guerrilla war to resist the Dominion, or just gather your fondest allies for a celebratory drink, there will be plenty of new options to explore! It's time to re-discover what we left behind on the edge of the final frontier in **Dogs of War!**

Coming Soon – "It is a joke. A joke on me. The joke of the universe. The king who would be man. As I learn more and more what it is to be human, I am more and more convinced that I would never make a good one. I don't have what it takes. Without my powers, I'm frightened of everything. I'm a coward, and I'm miserable, and I can't go on this way."

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
