

STAR TREK CUSTOMIZABLE CARD GAME FIRST EDITION

HOMEFRONT III

THE CONTINUING COMMITTEE
36 ADDITIONAL VIRTUAL CARDS • RELEASED SEPTEMBER 2012 • VERSION 1.0

Design Team
Charles Plaine
Dan Hamman

New conversions join old staples in *Homefront III*, the 2012 reprint expansion that adds thirty-six (36) cards to the *First Edition* virtual pool and offers new opportunities to spice up play in every tournament format! Featuring alternate image versions of hard to find cards and staple reprints for block play, veteran and new players alike will all find something to enjoy within.

Coming Next – Lying in wait, they have watched their foes and plotted their schemes. As they have stockpiled resources, their enemies have consumed them. Will you be prepared for when the Romulans arrive to engage The Next Generation?

*“...after we dissect your Enterprise
...I intend to display its broken hull
in the center of the Romulan capitol
as a symbol of our victory.”*

BALANCING ACT

In an attempt to save the lives of millions, James T. Kirk crossed onto an unstable bridge to obtain Dr. Tolian Soran's control PADD. The feat required balance and strength.

Each player whose missions with point boxes are mostly or mostly (by a difference of 3 or more) loses 50 points (even if playing Borg).

1 V

DOORWAY

STAR TREK
ENTERPRISE

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

READY ROOM DOOR

Once per turn, plays to download to one of your ships its matching commander (draw no cards this turn) **OR** to download one *Captain's Order*. After any use, discard doorway; place it atop your draw deck; or place it atop one of your *Captain's Order* events to protect that event from nullification.

2 V

DOORWAY

STAR TREK
GENERATIONS

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

THE NEXUS

Seeds like a dilemma. When encountered, place on far end of spaceline. (Not duplicatable.) Destroys all ships present; place personnel aboard (or on planet here) under doorway (they are in play). End of every turn, moves one location toward opposite end. At end of spaceline, place on table. At any time, any player may relocate their personnel under here to any planet (even a time location). (Immune to Revolving Door.)

3 V

EQUIPMENT

STAR TREK
GENERATIONS

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

EL-AURIAN PHASER

Unusual, easily concealed weapon carried by Dr. Tolian Soran. Capable of producing powerful bursts of phased energy. Targeting scope increases accuracy, in the right hands.

Each of your personnel present is STRENGTH +1, or +3 if they have both Treachery and SCIENCE.

4 V

EQUIPMENT

STAR TREK
GENERATIONS

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

MR. TRICORDER

Standard-issue tricorder. Geordi La Forge asked Data to use one to analyze solar probes discovered in a secret chamber of the Amargosa observatory. Data had other ideas.

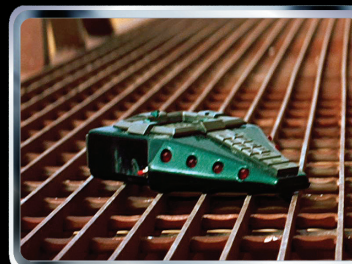

May report to any Data. Your personnel present who have both OFFICER and ENGINEER all add Computer Skill. Androids here are attributes all -6.

5 V

EQUIPMENT

STAR TREK
GENERATIONS

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

TRILITHIUM WEAPON CONTROL PADD

PADD used by Dr. Tolian Soran to remotely control his solar probe and its trilithium-based nuclear inhibitor. Modified programming also governs launch and cloak functions.

Your Astrophysics and Stellar Cartography personnel present are CUNNING +1, or +3 if they also have Treachery.

6 V

EVENT

STAR TREK
THE NEXT GENERATION

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

FAJO'S GALLERY

Kidnapped by Kivas Fajo, Data became part of an impressive collection of rare and one-of-a-kind items. Fajo had no problem with the morality of Data's imprisonment.

Seeds or plays on table. You may draw two cards each time you capture a unique personnel, and one card each time one of your cards or your Mona Lisa enters play.

7 V

EVENT

STAR TREK
VOYAGER

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

REGENERATE

The Borg use neural energy to collectively repair damaged biological and technological components. The Borg use alcoves to facilitate this process.

Plays to fully repair and "stop" any Borg Ship dilemma or Borg ship (nullifying any cards reducing its attributes) **OR** to shuffle your discard pile into draw deck. Discard event.

8 V

Seat of Starfleet

STAR TREK
ENTERPRISE

NOT ENDORSED BY CBS OR PARAMOUNT PICTURES

The place that started it all. Changed the galaxy as we know it.

Seeds or plays on 2154 Earth. personnel may attempt missions. Once per turn, one personnel may report for free here. (Not duplicatable.)

A CHANGE OF PLANS

The Borg Queen's initial consideration of Admiral Janeway's deal dissipated once she triangulated the admiral's signal. The Borg then adopted a more aggressive strategy.

Plays to do any or all of the following: discard your current objective; return it to your hand if you have Borg Queen in play; and download one Objective card.

10 V

INTERRUPT

STAR TREK
THE NEXT GENERATION

QAPLA'!

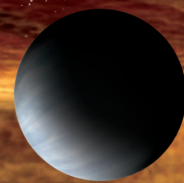

When threatened, fight. When in doubt, surprise them. Brute strength is not the most important asset in a fight. Real power is in the heart. A Klingon does not run away from his battles.

If an opponent attacks you, during that battle your Klingons with Honor add INTEGRITY to STRENGTH. (Not cumulative.)

ENGAGE CLOAK

Seeds or plays on table. When your staffed ship cloaks or phases, it may relocate here (capacity one ship). Just before that ship decloaks or dephases, return it to its former location; it may immediately move (up to its full RANGE) once for each of your full turns it was on this objective. (If ship returns to spaceline on your turn, it may also use that turn's RANGE.)
