

*"Row, row, row your boat
gently down the stream...
merrily, merrily, merrily,
merrily, life is but a dream."*

On Ceti Alpha V, the augment Khan seizes an opportunity to escape and seek vengeance. Elsewhere, the passionate Sybok rallies an army on Nimbus III in search of his life's dream. In *Paradise Lost*, you get to tell the tales of these two leaders in their quests to change the galaxy. But will you write a story of revenge? Or of belief? The choice is yours with *Paradise Lost*!

Coming Soon — It's time for The Continuing Committee to close the book on the big screen with the adventures of the *U.S.S. Enterprise-E*! Finally, the personnel, stories, and ships from *Nemesis* - available in 2E since its beginning - join the universe of *First Edition*. Join us as we explore the final 4 movies from new perspectives, with new tools, and giving players a new way to play Star Trek!

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
