

"You may win this war, Commander, but I promise you, when it is over, you will have lost so many ships, so many lives, that your victory will taste as bitter as defeat."

It is a time of war. A grim time. The shadow of the Dominion falls long across the Alpha Quadrant, darkening the skies of many worlds – Cardassia Prime most of all. But there are yet heroes who would oppose the Founders' ambitions.

The Continuing Committee presents the fifty-second set of *Star Trek CCG Second Edition, Apocalypse Rising*, the first of two virtual expansions that explore the unfolding conflict that threatens to consume the galaxy. Everybody has to choose sides, whether you lead the Dominion to its greatest victory yet, or stand against the encroaching darkness. You, and the Alpha Quadrant, have reached *Apocalypse Rising*: welcome to paradise.

Coming Next — Celebrate family, friends, and food with an expansion based on joy, happiness, and coming together. In the worst of times, it's important to find whatever happiness we can. Celebrate this holiday season with a new expansion that gives almost everyone a little something to love.

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
