

"... there's nothing to stop them from doing it again. We're fresh out of warp cores."

The Continuing Committee is going into battle alongside *Heroes and Demons*, the fortieth virtual expansion for *Star Trek CCG Second Edition*!

You may side with those who smell the scent of death on the Federation, or make a moral choice to resist the darkness. The Dominion gains a new ally in its invasion, and an unwitting partner within Starfleet. Meanwhile, major Alpha Quadrant powers also take aggressive steps to menace the Federation. On whose side will you stand in the struggle between *Heroes and Demons*?

Coming Next – A planetary research ship desperately trying to get back home. A band of zealous warriors and a slave rebellion both trying to find their promised lands. Renegades trying to get back to their lost colonies. Sometimes it is the destination that matters. What lines are you willing to cross to get there?

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
