

"Yes, once again I've overstayed my welcome. As a human, I was ill-equipped to thank you, but as myself you have my everlasting gratitude. Until next time. Ah, but before I go, there's a debt I wish to repay to my professor of the humanities. Data, I've decided to give you something very, very special. ...Think of it as a going away present."

Enjoy some *Shore Leave* with The Continuing Committee's thirty-ninth virtual expansion for *Star Trek CCG Second Edition*! Get away from it all with a vacation fit to rival Risa itself. Between the laughter, friends, and smorgasbord of delectable treats, you can't help but relax. Nearly everyone will find something that suits their palate here. "Old Marley was as dead as a door-nail," but with fun this lively, even he can't resist making a haunting appearance. You've worked hard this year, so enjoy some well-deserved *Shore Leave*!

Coming Next — There is a battle to fight - a battle against a vengeful, genocidal foe. At stake are the lives of innocents and the very soul of the Federation. Will you be tempted by the promise of immortality? Or will you fight for the principles of justice?

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
