*"Yes, it appears we will do well  
in your century..."*  
- Khan Noonien Singh

The Continuing Committee, in concert with the player community of *Star Trek CCG Second Edition*, welcomes everyone to *The Menagerie*, the game's forty-third virtual expansion.

Aid the ragtag resistance on Cardassia. Seek the Prophets' guidance for Bajor. Lead a group of stranded augments or single-minded Borg in a relentless bid to rule the galaxy. Androids and unexpected spouses from a parallel universe stand ready to lend a hand. Whatever your goals in this vast galaxy, you're sure to find something in *The Menagerie* to further your path to success!

**Coming Next** — The Obsidian Order knows never to throw anything away. We follow suit by "finishing" some card ideas that have been relegated to our "cut files." Some just needed more testing. Others had a kernel of greatness that needed to be mined and refined. Put simply, this is life from lifelessness.

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
