

INCIDENT DS9

DIPLOMATIC SUBTERFUGE

Plays on Derna. Your personnel may report here. Once each turn your personnel reporting here or to Romulan Diplomatic Office may do so for free. When you solve, for the rest of game, your ships are Weapons +2 and Shields +1.

2347

INCIDENT DS9

PREDICTABLY TREACHEROUS

Plays on your mission (for free where you have Tal Shiar x2 or a Romulan Espionage card). At the start of each mission attempt here involving your personnel, you may discard a card from hand (random selection) to change one of this mission's printed regular skill requirements (except Tal Shiar) to Treachery (at same skill level) until end of the mission attempt.
