"This may be the most difficult, exhausting experience of your life, and the most exciting challenge. Expect the unexpected. May you all do your best."

Return to the Next Generation with *Coming of Age*, a twenty-seven (27) card virtual expansion for *First Edition*. Featuring eighteen (18) new and nine (9) reprinted cards from *Star Trek: The Next Generation*, this expansion adds new personnel and new options for your favorite TNG decks. There's never been a better time to pick up or return to the game, so dig out your favorite cards and build new decks with *Coming of Age*.

The Next Generation Block – The release of *Coming of Age* marks the reintroduction of *The Next Generation* block card pool. This limited card pool features virtual cards that are freely printable, and mostly from TNG. Tournament directors may select *The Next Generation* block as their card pool when creating tournaments on [trekcc.org](http://www.trekcc.org). The TNG card pool consists of all of the *Homefront* expansions (I through VI), *The Next Generation*, *The Next Generation: Supplemental*, *Engage*, *The Sky's the Limit*, *Warp Pack: Emissary*, and *Coming of Age*. For more details, please visit <http://www.trekcc.org/1e/tng-block>.

Coming Next – Get ready to return to where *Star Trek* began! You'll go home to where space monsters roam and the hippies and androids play. Will you take the helm of the legendary *Starship Enterprise*, whose mission of exploration cannot be caged? Or will you attempt to stand in her way? The Final Frontier awaits you this winter in the first expansion in the Original Series Block!

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
