

STAR TREK CUSTOMIZABLE CARD GAME FIRST EDITION

# OTSD REMASTERED

THE CONTINUING COMMITTEE

20 ADDITIONAL VIRTUAL CARDS • RELEASED JULY 2021 • VERSION 1.0

*"There is a way out of every box, a solution to every puzzle; it's just a matter of finding it."*

Experience the joy of the best of *First Edition* sealed play with **Official Tournament Sealed Deck Remastered**, a new virtual expansion remastering the classic OTSD experience. Featuring twenty (20) remastered 1E cards, this virtual expansion cleans up both the glossary and the cards with modern wording while keeping the spirit and intent of the cards as Decipher made them. Additionally, they are now printable in beautiful high-resolution so your decks will look even better. Since OTSD boxes are hard to find, just pair up a print of these cards with four (4) packs of *Premiere* and one of *Alternate Universe* for a classic sealed deck experience!

**Coming Soon** — "You see, there's still this matter of the selfless act. You and I both know that the Calamarain would have eventually destroyed the Enterprise to get to you. ... I can't go back to the Continuum and tell them you committed a selfless act just before the end. If I do, there's going to be questions and explanations for centuries!"

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
