9 ADDITIONAL VIRTUAL CARDS • RELEASED NOVEMBER 2017 • VERSION 1.0

"Peldor joi."

Celebrate Earth's holiday season and the 10th birthday of The Continuing Committee with *Warp Pack: Holiday 2017!* Nine (9) new *First Edition* cards hearken back to prior days of 1E, with fresh cards for some popular old decks. So say happy holidays and peldor joi, and spread good cheer with the *Warp Pack: Holiday 2017!*

Tips and Tricks — Not sure where to start with the new cards? Here are some suggestions from Jon Carter, Ross Fertel, and James Heaney:

Planet of Galactic Peace — Now your Diplomatic Mission decks can have other missions; bring the classics back!

HQ: Executive Orders — The obvious winners are [Fed] decks, who have personnel from nearly every property logo. But have you considered using this with the Klingons in a Camp Khitomer or Sherman's Peak deck?

Five of Fifteen — Retask targets any Borg Ship dilemma, self seeded or not. If you can avoid a Quinn, you'll have a good ship and seven of your favorite Borg to enjoy.

Coming Soon — Augmented supermen are missing from storage. Vulcans whisper that their long-lost cousins have rekindled dreams of empire, while Starfleet wastes time investigating rumors of time travelers. Even the Ferengi are on the prowl! The 22nd Century powder keg is bound to explode, but — for now — it remains a cold front.

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
