

*"There's an old Vulcan proverb.
'Only Nixon could go to China.'"
- Spock*

The Continuing Committee generously offers you *Second Chances*, the sixty-first expansion for *Star Trek CCG: Second Edition*! For this set, the designers dug through the "cut file" of old, unused card designs to give some of them another shot.

The result is a cosmopolitan eighteen (18) card set with everything from Bynars to judges, and even a new Temporal mission. You'll definitely want to give these cards some *Second Chances* to appear in your decks!

Coming Soon — The universe is unlimited - it comprises millions of galaxies, realities and planets. Discover numerous new worlds with our next expansion.

The Continuing Committee is dedicated to not only maintaining the *Star Trek: Customizable Card Game* community and the levels of competition, but exceeding them in scope and in quality.
