

3 Alien Sabotage

Dilemma

Your opponent may take up to three personnel from his or her discard pile and remove them from the game. Randomly select a personnel to be stopped for each card that was removed from the game in this way.

"I can disable Defiant's power systems, but I'll need your help. Do you want to spend the rest of your life serving the Empire?"

687

1 • Mirror Dagger

Equipment

Hard Weapon. When you win combat involving your Treachery personnel present, you may remove this from the game to score 5 points. At the start of each of your turns, if this card is in your discard pile, you may remove two other cards in your discard pile from the game to return it to your hand.

Bladed weapon ubiquitous throughout the Terran Empire.

671

2 • Summon The Future

Event

To play this event, you must command three personnel. Plays in your core. When you are about to play an personnel, you may discard any number of cards from your hand to make that personnel cost -1 for each card discarded in this way (limit -3).

"Let us advance where the omens of the gods and the crimes of our enemies summon us!"

665

Savage Promotion

Interrupt

Order -- Remove three personnel of the same species in your discard pile from the game to take an personnel of a different species from your discard pile and place him or her at your headquarters mission where he or she could be played.

"Archer plans to kill the Emperor and take his place."
